

IN THE NAME OF THE PRE-EMINENT ALL-MERCIFUL

The Text of this Book comprises all the Sacred Books. You will find the Genuine Human in this Book. This is the sole Intercontinental Book. It has been dictated by the Universal Powers with the assistance of Divine Kotes*.

All the Divine Books until today were the Enlightenment Books of Genuine Enlightening Guides who came from the Path of Light. These Books were dictated from the Same Channel.

Now, during this Last Age, as a result of a necessity seen, it was thought indispensable that all Our World Friends should assemble under one roof. Thus, this Book is Your Genuine Friend, Your Genuine Brother/Sister. Because it is being dictated by Our Essence Brothers/Sisters.

During this difficult time of Your World, everyone has gained a Cosmic Awareness. We are sure that Our World Friends who have gained this Consciousness will comprehend the true nature of this Book very quickly. Your World has opened to the Universe. The Universe has been opened to the World. The texts that are dictated are being disseminated to the entire Universe Chapter by Chapter.

Gates of Worship are the sole Gates of God. There is no discrimination there. No matter where you are, always His* inextinguishable Sun is alight in all of us. The LORD of all of us is Single. That is, We are all His Children. For this reason, with the Command of the Single LORD the entire Universe is being made to assemble under one roof.

Your World is being prepared for very grueling conditions. Those who are Conscious of this know that if we extend our Brotherly/Sisterly hands with Love to everyone, these hands will never be refused.

Our God never sent Us to the World for Us to Divide it. This Terra will be transformed to Heaven one day by all Our Human Brothers/Sisters. We hope to meet one day in Our Brotherly/Sisterly World.

The Kote of ALPHA is the sole Channel that has received the Command to notify everything with all clarity. This Book will explain, from the Learning point of view, the subjects you all know (or do not know yet) for everyone to comprehend better.

Do not forget that all the Books revealed from the Enlightenment Channel had been revealed from the Firmament Plane. These Sacred Books are the New Testament, the Old Testament, the Psalms of David, the Religions of the Far East and the Koran. The actual Goals of these Sacred Books are to give a Message to Our Human Brothers/Sisters in the Light of Learning.

However, those Sacred Books were later deviated from their Actual Goals and were Degenerated. Now, (ALL THE BOOKS BETWEEN THE FIRST BOOK AND THE LAST BOOK ARE UNIFIED IN THIS BOOK). And it has been bestowed on the Universe as The Single Sacred Book.

We are sure that the flowers on the flowery paths we are treading will no longer wither. For, We are Assured. These Sacred Books have Enlightened You until today, have prepared you for a certain medium. This is the most Honest step you will take towards the path of Love, Friendship and Brotherhood*.

Do not forget that the Spirit has neither Age, nor Gender, nor Nationality (HOLY JESUS CHRIST – HOLY MOSES – HOLY MOHAMMED WERE EACH ONCE UNIVERSAL BROTHERS). They were sent with the Commands that they should assemble their Terrestrial Brothers/Sisters together, and to Enlighten them.

Now, we have long passed those difficult periods in which they lived. Do not ever forget that we are no more in the Century of the Middle Ages. In this Space Age Humankind has already established its Divine Triangles in proportion with the Consciousness it has Achieved.

Now, the Divine Mission of Humanity on the path of Learning has begun. This Book is being prepared with this very Goal. With our Love to Our Brothers/Sisters.

NOTICE TO ALL OUR TERRESTRIAL BROTHERS/SISTERS
First Message: 1.11.1981
TEN COMMANDMENTS OF THE GOLDEN AGE

- 1 - The Emblem of the Golden Age (O.M.K.).
- 2 - The Light of Heavens will descend on Terra.
- 3 - Those who write this Book will be accepted to Sacred Places.
- 4 - This Book will guide those who will enter the Central System at the Land of Eagles.
- 5 - Genuine Humans will undertake the entire Power of the Cosmos.
- 6 - The Land of Angels and Terra will be connected by a Chain of Progression.
- 7 - The Tongues who tell the Truth will at the same time be masters of Miracles.
- 8 - From now on, the meaning of the words will become Chain of Thought.
- 9 - Everyone will know who s/he is and will shed Light on the degenerated Society.
- 10 - Ultimately, Everyone will be Brothers/Sisters.

O – ALLAH (ALMIGHTY THE ABSOLUTE)

M – MOHAMMED MUSTAFA (ALL-EMISSARY*)

K – KURTARICI (SAVIOR) (HOLY JESUS CHRIST)

The Triangle of MEVLANA is tantamount to the Triangle of the Universe.

LAW OF UNIVERSE

CHAPTER 1

- 1 - The Power of this Divine Realm forming the Order of the administration of the Entire Cosmos
(ORIGINATES FROM THE SINGLE GOD).
- 2 - The Supreme of all of Us is Him. We do not recognize any Supreme One other than Him.
- 3 - The Supreme One who is the Light of Heavens, has created everyone equal and judges equally.

- 4 - The Divine Order at the Sacred Places is under the control of all the Galaxies.
- 5 - The Law of Universe is valid for every Galaxy. There is Unity and Togetherness.
- 6 - We give what we take. We know what we will give.
- 7 - Answer is given Collectively to the Power of Heavens. Might is from Him.
- 8 - The place from where the Koran was revealed and the New Testament, the Old Testament, the Psalms of David and the Religions of the Far East were dictated, is here.
- 9 - It has been like this in Every Era. There is no privilege.
- 10 - Divine Commands are always given to the entire Universe for Enlightenment and Evolvement.
- 11 - During the transition beyond Evolvement, other Gates are opened for the Residents of the Galaxy. They are taught Secrets they do not know.
- 12 - Our Scale is Conscience. And it provides an Equilibrium that never fails. It decides what to do and what not to do for those who are Evolved.
- 13 - The administrators at the top are responsible only for the Professional, not the Ethical Order.
- 14 - The Book is Single, the Conscience is Single, the Order is Single.
- 15 - To those who need help, the Automatic Alarm gives Signal for help (That is, GOD sees you).
- 16 - This is a Divine Order established by God. Without discrimination, We run to the Help of everyone. (To those who are in Genuine Depression.)
- 17 - Our Order does not want anyone to be Unhappy. Happiness is Our Purpose.
- 18 - In gardens in which Seeds of Love are sown, Flowers that have never been seen bloom.
- 19 - Your Third Eye is the Secret that gives the aroma to those Flowers. Provided that You gain this Power of Yours, You solve All the Secrets.
- 20 - Helping hands have been extended to Your World. For, We are all Brothers/Sisters. We want to surmount your Difficult Periods Together.
- 21 - YOU are a Planet destroying itself unawarely.
- 22 - At first, Humankind has been taken in hand. We try to transform Your Negative Powers to Positive ones.
- 23 - The Goal is to find the Genuine Human within you, to create Human from Human.
- 24 - We are sowing Seeds of Love within You.
- 25 - During this Period, You become Genuine Humans by passing beyond Religious Rules, you are being Regenerated.
- 26 - We always Help Our Missionaries who have Cooperated with Us.
- 27 - Your Depressions, Your Sicknesses, and Fears are caused by the Imbalance of Your Conscience scales. Only You are responsible for this. The alms You give for your Personal-Benefit will not save You.
- 28 - Humankind has such a Potential that it Dies the moment it wants and Resurrects the moment it wants. Seek and find this Secret Potential Box of Yours, Overcome Your sicknesses without medicine.

- 29 - You have regulated your life not according to yourself, but according to others. Your frustrations are due to this. This attitude of yours obstructs Your Universal Channels.
- 30 - God creates each of his servants single. S/he is a Free Spirit, a Free Conscience. No one is the Servant of anyone else. Mutual Respect is imperative.
- 31 - Gender discrimination exists only in Your Galaxy. This astonishes us.
- 32 - In this respect, Evolvement is necessary for You. No one can violate the rights of others. This Predestination is of God.
- 33 - The Power possessed by everyone is present in everyone. Only if you can develop that ability of yours.
- 34 - Servants of God choose their options themselves. Ultimately, they themselves are again responsible for everything.
- 35 - We are connected only to God. The key of Our Happiness is in the hand of Our Conscience. This is the same in all the Galaxies in which the Law of Universe is valid.
- 36 - The sounds you hear are the Spiral Waves far beyond the Frequencies of Your ears. These are only heard by those who can hear them.
- 37 - The clarity in your View is possible only by the opening of Your Third Eye on this path. Then, you can see the unseen.
- 38 - God has created You and You will create yourselves. This is a Rule of the Evolution Tableau.
- 39 - This Period that You call the Final Period We call the GOLDEN AGE.
- 40 - During the Golden Age, Books on all kinds of subjects will be dictated according to their Frequencies and Wavelengths to all Humans who can receive the Perception.
- 41 - The Books you will write will be the marks that symbolize Your Evolvement Paths.
- 42 - Gates of unknown Knowledge will be opened to the World Human.
- 43 - Missionaries are obliged to propagate these to Society.
- 44 - Every Gate is open. All Arms are open. There is no Secrecy. Many Secrets are there for those who Seek.

LAW OF UNIVERSE

CHAPTER 2

- 45 - Do not refuse the hands extended to You. Do not extinguish the fire of Your Spirits.
- 46 - Project the Order of the Dome of Cosmos on Your own Order.
- 47 - The greatest Gift for You is Your Sincere Heart. You will reap the Good-Results on this path.
- 48 - If Superiority is within You, fear; if You are within Superiority, do not fear. Only Genuine Humans comprehend, know this.
- 49 - Go from Nothingness to Allness and from Allness to Nothingness. Then you will find the Path of Light.

- 50 - There are so many more Lights to be shed on Your Earth. Do not ever forget this.
- 51 - Missionaries who will guide and assist You in the framework of the given Commands will be sent.
- 52 - Our Friends whom We Trust are always Assured.
- 53 - Special Suggestions will be given to those who will receive the Might of Heavens from Mighty People.
- 54 - Utterances will unify with Utterances, Salutations will unify with Salutations.
- 55 - To the Missionaries who will reap the Reward of their Perseverance, everything will be explained, All the secrets will be notified.
- 56 - Other Civilizations will develop the course of events of Your Civilization.
- 57 - Humankind will Know the measure of its Might, will See its Own Self, will Suffer as the Law Commands.
- 58 - Even though Humankind, seeing the Source of Divine-Light, considers itself deceived according to its own standards, it will never regret it.
- 59 - Each Friend who wants will be accepted to the Secret Cities behind the Ramparts. These Suggestions will be made by the Command of the Center.
- 60 - Those who will be Sovereign will be dressed in Special garments and with these garments it will be understood which medium of Power they have come from.
- 61 - During Periods of Mobilization, everybody will Telepathically be in contact with each other. This will occur automatically.
- 62 - The one who does not know Love, cannot gather the Flowers. The one who does not remove the gum from his/her Eyes, cannot see the Colors.
- 63 - Try to pass Your Powers beyond the walls of Your Spirits. Transcend Your own Selves.
- 64 - That which seems like advice to You is Our Good Will. You are the ones to Gain.
- 65 - No matter how Powerful you are, you will always find an unopened Gate in front of you. Do not let it Intimidate You; let it Stimulate You.
- 66 - We help Everyone who knocks on Our Gate.
- 67 - There is no Personal-Benefit in Our Service.
- 68 - With the dispersion of the Density, Great Powers will come to Humankind.
- 69 - Before Time catches up with You, You try to catch the Time.
- 70 - You can make the Inter-Galactic communications through mediators. Your Fears are groundless.
- 71 - Intermediary Groups will provide the cooperation with our Missionaries who will get the Reward for their Perseverance.
- 72 - The Cover of Secrets is not opened at once. When the Time comes, we will declare them one by one.
- 73 - Power will be added each passing Day to the Power in everyone and the length of the Rings will come to Us.

- 74 - The more Powerful the awaiting is, the more Powerful the transition beyond Light will be.
- 75 - Your Physical-Constitutions are being reinforced.
- 76 - While Humankind Purifies itself, it also Purifies the Universe. Know this thus.
- 77 - You are also the ones who will block the Light of the Heavens.
- 78 - Your Purification is Our Pride.
- 79 - The Ring around Your Galaxy is getting Narrower each passing day. You need oxygen. You may have difficulty in breathing. Take precautions beginning from now.
- 80 - You are being prepared for Periods that will be Harder and more Difficult than ever.
- 81 - Get to know your memory well. Everything will be Notified to You. We will introduce and tell You about Yourselves.
- 82 - Messages you will receive beyond Religion are Your Evolvement Keys.
- 83 - Currents oriented by Moral Powers can even shift the axis of Galaxies in the Universe.
- 84 - Do not disparage Yourselves. Do not underrate Your Power. You possess everything in the name of Almighty the Absolute. Unlock Your Lock without a Locksmith.
- 85 - Everything He has created, first of all You, this beautiful Instrument, comprises the Secrets of the entire Universe. You will open and solve these Secrets yourselves.
- 86 - In everything He has created, there is Love and Beautifulness.
- 87 - We are only a Group of Intermediaries who Shed Light on You, We are Your Friends.
- 88 - Humankind that possesses the Power present in everyone, is on the single Planet that has completed its Evolution.
- 89 - During this Examination Period, you are not alone, we are beside you.
- 90 - We are Brothers/Sisters. We came to find You who are Our Brothers/Sisters.
- 100 - The more intense Your Problems are, the easier Your Solutions will be. Do not forget that Sadness is the Key that opens Your Brain Kotes.
- 101 - Advice is nice, but it causes others to turn their back on You.
- 102 - Gold attracts, Dome repels. If it is asked which Power is more Powerful, it is the Spiral Sounds governing them all.
- 103 - The Lesson Humankind will learn during this Period, will be the Eye of its Essence.
- 104 - Do not struggle in vain, wait. You need quiescence during this Period.
- 105 - Time bears the Knowledge within Time. Take them, achieve Evolvement.
- 106 - Nothing happens without a Reason. The Reason that creates the Reason is always born from the Result.
- 107 - Messages dictated to You until today were for smoothing the roughness on Your path of Evolvement.
- 108 - The expounding of the Messages after this should be evaluated very correctly.

109 - For example, if we say:

“If you know this, You are a Sea
If you say it, You are an Ocean
The Divine-Light of the Years is with You
The Fire of Your Heart is in You”

Some Messages are written as Codes and solved as Riddles. Those who know the Secrets are Seas. Those who talk about them are Oceans.

They have received the Divine-Light through the Evolvement of the Years, have themselves become Divine-Lights.

But, despite everything, their hearts are on fire with humility. This is what We call the Genuine Human.

110 - The one who knows the Secret of Might drains the water from his/her Boat.

111 - Know Your Might so that Mightier Ones may come to You.

112 - Whoever cannot adjust himself/herself to the medium s/he is In, for Him/Her the path of Moral Hope will always be closed.

113 - The Instrument of the Servant whose Sincerity is augmented with Sincerity, will always play.

114 - To those who will ask the Sovereign Goddess about the Grand Tent of Pre-Eminent Ones, a Plaque with a symbol of Happiness at its edge will be given.

115 - Happy is the person who compares Gold with Sand.

116 - Purification is Peculiar to Purified Ones, Superiority, to Inferior Ones and Inferiority, to Superior Ones.

117 - The one who receives his/her Might from beyond Superiority, his/her Power from God, and who finds Himself/Herself in His/Her Self, is the one who receives the Degree.

118 - We evaluate Our Friends who have a grasp of the Power of Heavens according to the Sultanate degree and we make them achieve Liberation.

LAW OF UNIVERSE

CHAPTER 3

119 - The Greatest Sin is the Enmity of the Human towards the Human.

120 - The most Esteemed Servant of God is the one who does not make distinction between Religions.

121 - God will always shed Light on the Genuine Humans who change during the changing Age.

122 - We will always extend Our Helping Hands to Friends who will be Awakened in Time, within time.

123 - Your Goodwill cuts into two, like a sword, the Negative Currents around you.

124 - The one who will choose between his/her Options is Humankind itself. When the Time comes, the Good News will reach it.

- 125 - The Light, the Divine-Light of Heavens will, one day, dawn on you. Those who Believe in this will be reunited and will see everything.
- 126 - The Honesty of Your Faith will file down the roughnesses on your paths.
- 127 - The Happiness of Your Heart will be the Foundation of the Divine Order.
- 128 - The Lord is the Architect of the Universe and the Sun of the Land of the Mighty Ones, that is, the Light of Allah. The Offerings pass through the Path of Light.
- 129 - If Purification does not occur in the Essence, then it does not occur in the Eye, either. The opening of Your Third Eye is the first Light leading You to Evolvement.
- 130 - The Period of Superstitions has come to an end and the Gates of the School of Spiritual Insight of Heavens have opened for Humankind that has become Conscious in the Light of Science.
- 131 - Sermons delivered from your Heavens create a Bond binding those who Love each other. They are delivered from a Progression tantamount to the Speed of Light.
- 132 - The declaration of the Firmament to the Earth forms the links added to the Chain of Evolvement.
- 133 - The Purification of everyone is connected to his/her Faith in himself/herself. Pearls are always picked from the beds of tranquilly flowing rivers.
- 134 - The Faith of a Human in his/her God will assist him/her to complete his/her Final Era.
- 135 - Humankind will give and convey his/her Assurance to others. The medium it Trusts will give It Greater Assurances. On this path one goes to Liberation.
- 136 - Everyone will Supervise his/her own self, and will see. His/Her Evolvement will pass him/her through the Gate of the Firmament.
- 137 - Humankind will see everything in a tangible way through Science, will solve all the events on the Path of Logic and will unravel the knots in its mind.
- 138 - Provided that you get rid of Mystical Thoughts, Your Purity will be even more Purified and Your Thoughts will attain Clarity.
- 139 - The medium you are In has left the Centuries behind and sheds Light on the Future.
- 140 - The Koran is the continuation of All the Religious Books. And these dictated texts are also the continuation of It.
- 141 - Liberations will be Equally distributed according to the maturity seen in everyone. You will Personally feel this.
- 142 - Each Religion is a Mission given to an Enlightening-Guide who sheds Light on the Society s/he is in.
- 143 - The Missionary is compelled and commissioned to present the Knowledge s/he receives from his/her own Medium.
- 144 - ALLAH is Pre-Eminent. He is the God of the Medium He is in, He is Single. The LORD is the Light who gives direction to the course of events of the entire Universe. The Energy He has is present in every Living Being that Exists. We are His actual servants. For this reason, we feel Him in our inner selves. He knows everything and That Energy notifies Us to certain mediums.
- 145 - That Energy is Single and is the Almighty the Absolute. Each one of Us is a fragment of Him. We can never be parted. He is the Architect of the entire Universe. He can be contained neither in the Universe nor in Thought. The Final Gate will always remain closed.

- 146 - We are obliged to give You the Commands we receive. The Commands are the links of a chain given from beyond Light. To Unify You with the links is Our Mission. These Commands follow a succession outside the Time Unit.
- 147 - Evolvments are completed even at the Medium where you receive the Messages. When one passes beyond it, one is connected to the Speed of Light.
- 148 - Sincerity of Heart is worth all the Religious Books. Sin and Good-deed are the measurement of its scale.
- 149 - The Good News to be given will be a Light, a Divine-Light to You, and will open the Gates of Faith.
- 150 - Get rid of the suspicions within your hearts. Supervise yourselves. You will see how you will mature by being dissolved in time and you will choose the correct path.
- 151 - Grains will become motes and, in time, motes will become whole.

With Love to the Loving Essence-Hearts from the Land of Loving Ones. I commit you to My God.

THE MESSAGE GIVEN BY: MUSTAFA MOLLA FROM THE CENTRAL SYSTEM

WRITTEN BY
MEVLANA

THE PEN OF THE GOLDEN AGE

IT IS MESSAGE TO BE DEDICATED TO MY MOTHER LEMAN ÖNSÜ, MY FATHER MAZHAR ÖNSÜ AND GREAT PERSON, MY SPIRITUAL MOTHER, LADY RUHSAR, FROM WHOSE SPIRITUAL INSIGHTS I HAVE RECEIVED GREAT DIVINE-LIGHT ON THIS PATH.

TOFFEE OF YUNUS

BEAT THE ROOT OF PENITENCE
WITH THE LEAF OF PARDON
IN THE MORTAR OF THE HEART
WITH THE PESTLE OF ONENESS
SIFT IT THROUGH THE SIEVE OF MERCY
COOK IT ON THE FIRE OF LOVE
WITH THE HONEY OF AFFECTION.
EAT IT MORNING AND EVENING
WITH THE FINGER OF CONTENTMENT.

YUNUS EMRE*

The Message received by My Spiritual Mother Ruhsar.

Note:

This Private message has been written with the permissions of the Supreme Realm.

This Message will remain in Your Essence file.

PEN OF THE GOLDEN AGE

P.G.A.

Six photocopies will be made.

The Emblems that are sent

Will be pasted in the Notebooks.

The photocopies of the Messages and the Emblems

Will be reproduced by the cooperation among You.

This page will be photocopied on both sides.

NOTICE TO THE GROUP MISSIONARIES
(28.1.1984)

Your Kote is ALPHA – The color of Your Symbol is PURPLE – Your Emblem is the SUNFLOWER

Mission allotment has already been made among you. They will search and find You. Namely, Our Friend who has received the Message will first write the names of her Friends in a notebook, then phone them, one by one, those who answer the phone will be invited by the Leader of the Group to her house the following Tuesday, the Message will be read and the Goal will be told.

The Leader will gather her Friends in her house the following Tuesday and will ask them each to bring a thick notebook and a pen. For once only, the Emblems sent from the Center will be pasted with the date of that day in the notebooks of those who bring them. They are the Essence Missionaries of the Group. They are obliged to give the Messages they receive to Six people by photocopying.

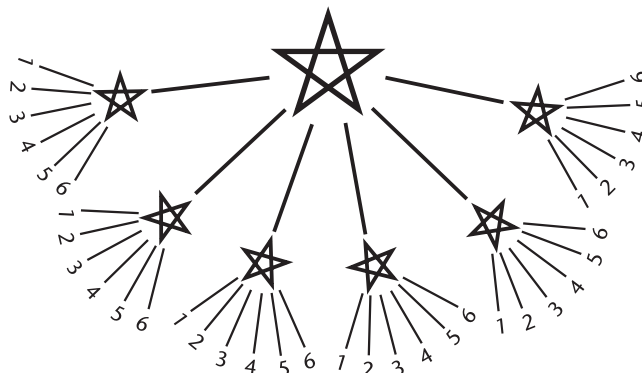

The administration is in the hands of the Group Leader. Our Friend who has received the Messages through the Main channel is the Group Leader. The Leader will assemble her Group and explain the features of the work. After the names of these Six Friends are notified to the Essence Nucleus, the Group will be considered established. Messages will come from the Essence Nucleus. Everyone will write his/her own Book by writing the Messages in their notebooks in their own Handwriting. This Book is Your Testimonial.

Do not forget that there are Three things in Your Physical-Body that have not changed since Your coming into Existence until today: The First is Your Spirit – the Second, Your Fingerprints – and the Third is Your Handwriting. For this reason, we ask you to write in Your own Handwriting. Writing is optional for those who are not Missionaries. They will only Serve in distributing the Messages. In every Family one person will write the Book. It is for the benefit of the other individuals to read it.

The one who receives the Message will, without fail, put the date of that day (This is very important). Your financial problem will be solved in the following way: Three friends will open a joint account in the nearest Bank. The Leader of the Group is in charge of the Account Number. She will collect the money. When the time comes, other Friends will also be sent to You. Render Your Endeavors only in the Mission of Distribution. We send Our regards and gratitude to Our Friends.

PEN OF THE GOLDEN AGE

The Distribution will be Made in the Following Way:

Note:

This Message is a Message concerning the initial Establishment Foundation of the Group.

IT IS VERY IMPORTANT
(29.1.1984)

Frequency Codes have been established in the entire Universe due to the increase in the Sixth Senses. Mission allotments have been made by measuring everyone's Megawatt Powers. Those who receive or will receive these Messages will be sent to You. No one should force anyone else. Only read the Messages for the time being. Those who desire will keep Notebooks.

Now, we would like to talk to You more clearly: You are the Codes who were prepared Centuries ago and now have been sent to give direction to this beautiful World of Yours as servants created by Our Allah. These Messages you have in Your Hands are Your Essence Testimonials. Now, we ask you to keep them very well.

In the Groups where you read the Messages, Our Friends who will write this Book in their Handwriting will not be exposed to any discomfort from now on. This Book is a Savior. Illuminate your surrounding by reading the Messages you receive to everyone.

From 1984 to the beginning of 1986, make an effort to bloom a Flower in every Country with all your Endeavor. The Flowers will bloom in the following way: Our Friend who has received and has written this Message is the Leader. By gathering Six Petals around her, she will form a Six-petal Daisy.

That is, by dictating the Message to Six people, the first Center Flower will bloom in this way. Only the names of those in the Center Flower will be notified to the Essence Channel. Later with this System, the Messages will be distributed to Six and dissemination in the entire Universe will be provided.

Do not forget that your efforts will unify You all at the Infinite Absolute and will submerge You in Infinite Happiness. Let us define this with an example in this way: When a ship sinks, the Captain and the crew are the last ones to leave it. Their goal is to save the people who have fallen into the water in sequence.

First, 0 – 7 age group, then 7 – 14 age group will be saved. Then, women and later, men. Now, the Lesson you should take from this is: That in the Final Period of the Twentieth Century, there is a must to work without pausing for breath.

From now on, You, Our Friends will be called the "Sacred Missionaries". Now, everyone is cognizant of his/her Mission and has the Consciousness of what to do. The Mission You perform now is TO ASSEMBLE ALL YOUR TERRESTRIAL BROTHERS/SISTERS UNDER ONE ROOF. As a necessity of the System, this process will bring together those who have been selected before.

During the next two years, the Entire System will be established. Your Lives afterwards will be Happier and more Comfortable. DO NOT FORGET THAT THIS IS VALID ONLY FOR FRIENDS WHO FULLY PERFORM THEIR MISSIONS. After two years, Your Universal bond with the entire World will be established.

The System will function automatically. The System does not stop where you stop. Special excuses excluded, you are given a credit of Ten Celestial Segments. This means Ten Days. A day after that, the Automatic Computer will bring the Missionary behind you into effect. This is announced with Our Love to all Our Missionaries.

ANNOUNCEMENT

Note: In today's medium, the connections with Space are kept secret, due to numerous drawbacks. We have given the authorization to mention Us only to Dear Mevlana.

The Kote of ALPHA is the Direct Kote of the LORD. All the Knowledge given from there is authentic and correct. All Your Religious Books were revealed from here. The Period you call "The Period of Resurrection", We call "The Period of AWAKENING" and consider it as the beginning of the GOLDEN AGE.

This beginning is never outside the Medium. It proceeds Tantamount to the flow of time. Our Effort is to save Our World Friends in the Light of this Book.

We are Friendly Hands who provide the connection between the Firmament and the Earth. Our helping Hands are extended to you in this manner. Those who comprehend Us will come to Us. Friends will reunite with Friends and the Divine-Light of ALLAH will flow onto You.

LIGHT

GENERAL MESSAGE

Our Friends,

In accordance with the Existential Ordinance, such a System was brought into Effect that this System always acts in accordance with Time Consciousness.

The reason why we have kept the Skies closed to You until today was to Sow GOD Consciousness firmly in You until the end of this Cycle.

Because by this Consciousness, Your Universal Potential is elevated, Your Thought Frequencies reach Advanced Dimensions and you attain the Awareness of the Oneness of Being.

Now, that boundary has been reached.

Knowledge we will give to You now and later will very Naturally have the quality of a SHOCK for Our Human Brothers/Sisters in the Light of the Knowledge they have obtained until today.

Because besides the Advanced Consciousness Fields that were sown, an abundance of wild grass have also grown in those Fields.

Now, the Goal of this Period is to clean those Advanced Consciousness Fields from the Wild grass or to Engraft Them with the Knowledge of the Advanced Consciousness so that those Fields can be more productive, and to Notify all the Truths with all Clarity has been taken into the system.

No one can resist the Ordinance that will be established. Because OUR LORD has taken in Hand the Order of the Ordinance anew.

None of you at the moment is aware of this Silent and Profound movement. But you will witness personally how, in time, negative will give positive fruits.

ALLAH has a Single Formula in the Universal Whole. And this formula is the following: NOT TO MAKE DISCRIMINATION IN ANYTHING – NOT TO UPSET THE ORDER OF THE ORDINANCE.

As it goes for everything, the productivity of the initially Sown Seeds is not observed in the finally Sown Seeds. The Capacity diminishes, the Productivity diminishes.

For this reason, it becomes necessary to Plow the fields anew or to Fallow them.

The period of Fallowing of the Religious Dimensions will continue until the World year 2000. The Universal Order has been Planned thus.

For this reason, the Book of Islam and its last Prophet shed Light on You through the Religious Dimension for the last time. This Cycle has come to an End after waiting for fifteen Centuries.

In the Light of the initially Sown Seeds, more productive Seeds have been Sown in the fields now and will still be sown.

Time processes are being shortened by Mass Awakenings and the Truths are being conveyed to You through the shortest possible way.

This Knowledge Book is being dictated to You as the Guide of this Final Period.

It is presented for Your Knowledge.

CENTER

GENERAL MESSAGE

Our Friends,

Those who read the Messages dictated from the Special Channel of the Council are those who Deserve to enter this Advanced Dimension.

However, if they eliminate their uncertainties, the gates in front of them will be opened, one by one.

Those uncertainties deprive You of the beautiful Currents of the Universal Waves. That which cuts off the Light of Your Essence is Your Non-Belief.

This is why You need Religious Fulfillment. First Belief, then Universal Awareness connects You to the Reality.

To be stuck somewhere and not to be able to advance is neither Your nor the System's fault. The Fault is of Non-consciousness.

Your Essence and the Mechanism of Conscience work in connection with the Universal Energy focal point.

One can neither receive Knowledge properly nor can benefit from these Beautiful Currents if this Triple Unification does not exist.

In this Medium, that which Automatically takes Your Consciousness Circuit out of effect is Your Non-consciousness and Ignorance.

Until today, we have Addressed You through Your Religious Books through the Dictionary of Belief.

Acceptance of Your Religious Books as they were, without Thinking or asking anything, was for the openness of the Channel of this System.

As a matter of fact, the Pious Reverence and Serenity in Religious Temples and Mediums is felt by the openness of this Channel.

These Powerful Currents are being regulated in accordance with Your Belief and Levels of Consciousness.

This is Supervised by such a Mechanism that even in the case of the greatest Mediumists*, when Doubt appears the Consciousness Channel is automatically locked.

His/Her Light connected to Our Signal Tableau informs Us about the person in question. And We try to assist him/her according to his/her Level of Consciousness.

You need Doubt for this reason. Until Genuine Belief is Established.

Because if there is no Doubt, if one is fixated only upon the given Knowledge, no Universal assistance can be extended to such a Consciousness who remains on that Level.

Each given Knowledge is an investment for the future. Your Doubts are the Keys connecting You to the Universal Consciousness.

This System, that is, the System that has been habituated to until now, was the Order of a System Continuing for Centuries.

For this reason, for Centuries quite a monotonous Life and System of Evolution have continued with a Single common factor in which everyone has been Unified in the Consciousness of a Single GOD.

In this Period of Resurrecting, the System has been completely Changed and a connection has been made with the operational Ordinance of a higher Reality. This is an Advanced Evolutionary Ordinance.

The Permission to step forward has been given to your feet that have become numb due to the fact that you have remained in the same place for Centuries.

For this reason, Humankind who is not habituated to novelty and change has scruples due to its fear of the medium Unknown to it and thinks that the occurrences sometimes applied to it are done by Negative Powers.

There are Negative and Satanic Powers in the Universe. However, there are also Consciousnesses who can even surpass these Powers on Your Planet. They are the ones you should be afraid of.

Because here We have the Power to take the Negative Powers under Supervision. But You cannot Supervise those on Your Planet.

For this reason, We conduct Supervisions on Your Planet as well.

The Protection Medium is the roof of OUR LORD. And this place, which is the Focal Point of Universal Unification, is the Center of the Plan.

This Center Invites all the Consciousnesses in the entire Universe who have seen the Light OF THE LORD to the Consciousness of Mevlana.

Since the Gate of Mevlana is a Focal Point of infinite Serenity and infinite Love that Embraces the entire Universe, the direct Currents OF THE LORD have been connected there.

This is called the (Mevlana Essence Channel of the World Brotherhood* Union).

This Focal Point is a Focal Point of Salvation. To be able to enter under this roof occurs by Permission. And they are prepared for Salvation and are being taken under the Supervision of the Plan.

Until today only very few Servants of GOD have received the Special Currents projected on You from here, through the direct Channel of the LORD.

These Currents that are worth a Thousand Prostrations can be gained only through a Thousand years of Worship.

This is a Grace for You. However, You also have to Deserve this Grace.

Those who are not habituated to the high Frequency of the Knowledge Book disconnect these beautiful Currents by their uncertainties and, for this reason, cannot reach the desired Level of Consciousness.

This Message has been dictated to warn and illuminate certain mentalities.

To be Purified is to Attain GOD. To Attain GOD is to Reach Consciousness. And to Reach Consciousness is to Dive in Your Essence. To Dive in his/her Essence and to Reach it is very difficult for a Human.

When one attains the Essence Consciousness, Endeavors will Accelerate. Our Love is upon the All-Universes*.

NOTICE TO FRIENDS WHO SERVE THE GOLDEN AGE

Our Friends,

In this Final Period, everyone is going through Examinations in the direction of his/her Consciousness.

This is a Truth. Steps taken forward are the most Luminous path. Those who attain the Cognizance of this will never leave this path, in any way.

Because efforts exerted and investments made will sprout before the eyes of everyone.

In this Period of Sincerity that we call the Period in which the Firmament reaches to the Earth the Divine Plan has come into Effect with all its Splendor.

You, who are the Sacred Missionaries of the Golden Age, will witness personally the Changes that will take place in the entire Universe.

You will see the Good-Results of the Missions you perform and will comprehend how the entire Realm is Unified as a Whole. We are grateful for the Efforts exerted.

NOTICE FROM THE
PRIVATE PEN OF THE COUNCIL

WE ARE GETTING THE BOTTOM CLOSER TO THE TOP

Our Friends,

The Universal Evolvement Tableau of Your Planet is the Applied form of an Order considered necessary by all the Realms.

The Golden Age has been Applied many times on Your Planet in the Light of various Knowledge, in accordance with the Perception Power of the Consciousness of the medium in each Period. Each Reformist Order is a Golden Age. Each Celestial Book revealed is the Key of a Golden Age.

However, the tableau of the Golden Age considered necessary by a System encompassing billions of Centuries and the Golden Age of today is being established by a very different Order. And this establishment is tantamount to the initial establishment Order of the Realms.

The trinity of UNITY – HARMONY – ORDER constitutes the foundation stone of all the Universal Laws. And, putting in Order the Impaired Orders and Unities is called the Threshold of the Golden Age.

The Period identified as the Threshold of Evolutionary Progress of Your Planet is the Twentieth Century. And it is the Resurrecting of those who will live the second half of it.

As we always repeat, the Resurrection mentioned in the Sacred Books is the Period You Live in.

However, since the Expoundings caused misunderstandings, the meaning of Resurrection has not been understood until today. Your Planet will not cease to exist.

However, all the Living Beings on it during this Final Period, especially our Human brothers/sisters, will never Return to the World Evolution Plan.

The World Plan, completing its examination of this Final Period, has been taken into a Preparation Period considered necessary by a different Reality.

There is no need for World Evolvement and Reincarnations anymore. There is no need for each person to make Progresses by Individual efforts.

Integrated Consciousnesses will now be able to use their Powers of Awareness easily and will expand towards Unknown horizons under the Supervision of a Plan.

Everyone will make Progresses in proportion with his/her level of Consciousness and will be left in his/her own Reality for a Period.

This is the reason why it is Endeavored greatly for everyone to attain, more or less, the same Level of Consciousness. Especially those who Endeavor on this path are taken by the Hands.

Each Depression is a Threshold of Divine-Light. To be offended with ALLAH and the PLAN is not right.

That which happens and which will happen are for the Welfare of Humanity and You. Events You experience are Your Patience Examinations.

Depressions are a factor that brings People close to each other. A Person who is at Ease is Individualistic. Whereas people with Depressions are Social. And this Unification Plan Acts in accordance with this fact.

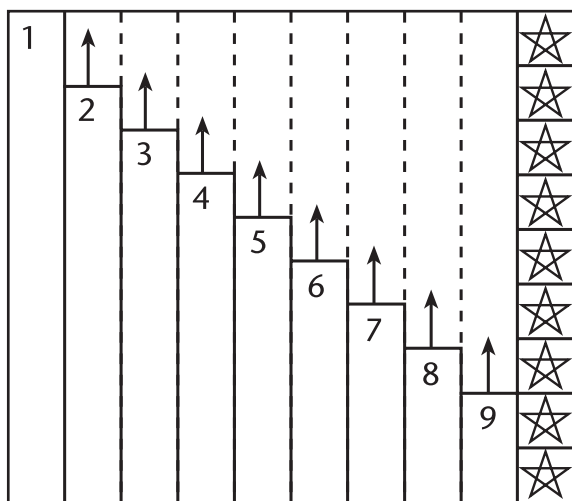

If You have completed the World Evolution Plan with Incarnation rings of the Periods in which you have lived before, now, you are only subjected to the Progress Examination of a different Reality in your present Period.

Otherwise, you become subjected to the Selection and Examination both of the World and of this Reality.

Now, certain Knowledge contradictory to Your habitual Knowledge is being given to You and Your Levels of Knowledge are being Koted* and you are subjected to Progresses in this manner.

Either you leap over the threshold or you are left in the same Reality.

Let us explain this to You with a tableau, draw, please:

The diagram that we made you draw is the Evolution tableau Your Planet will complete until the year 2000.

We are trying to make everyone attain the same Level of Consciousness, from the bottom to the top.

Assisting Missionaries, appropriate to each altitude of Consciousness have been sent by the Plan.

Each time you leap over a Threshold, you are made to pass to the next higher level.

For this reason, you are subjected to numerous examinations of Material and Moral Progress. In One Year, you are performing the Evolvement of a Thousand Years.

In Future years, due to the Scarcity of Time, you will perform this Evolvement in One Day.

Your Examinations are alleviated in proportion with your proximity to the Top. In the Final Period, each person is obliged to complete this square. Those who complete this Evolution will be taken to a different higher Reality. It is presented for Your Knowledge.

CENTER

Note:

The first column: Those who have completed the Evolution considered necessary by the World Plan.

The rest: Those who will complete it.

Stars: The top Level Staff Members of the Plan who come from the Reality beyond Karena* Dimension, the Missionaries. (Karena is a Bouquet of Light.)

IDENTITY
(Answer to the chains of thought)

Identity is the Past experienced Incarnations. This Message is being dictated to Satisfy the curiosity of some Friends.

Everyone wants to obtain everything in the shortest way. And they are curious about their Past lives. But this is a matter of Permission.

Our Friends, you cannot swallow Your Morsel of food without masticating it. Everything depends on time. It is beneficial not to forget this.

Revealing identities is under Special Supervision in Our Archives.

However, to certain Friends whose efforts are great but whose Awarenesses are Veiled, their Identities are declared, from time to time, through the assistance of other channels, by the Command of the Center.

After the Powers of Awareness and the Consciousnesses of our brothers/sisters who will be prepared are measured, their Pasts are gradually conveyed to them.

Every Awareness cannot bear the knowledge of his/her Past, this needs Strength. The past is the past. The Important thing is the Current State and the Future.

Those who can get in connection with Us are the Powerful Awarenesses. Knowledge is conveyed to them in proportion with the Permission given to Us and passages from some of their Past lives are revealed.

And, in these passages, they find themselves and remember their Past.

Private operations and quests for Identities cause Scattering of Awareness. These things are not easy at all. It is advised not to take them lightly. It is presented for Your Knowledge.

IT IS CLEAR MESSAGE ABOUT HEALING
(Answer to the chains of thought)

Our Friends,

As much as an Energy is Equivalent to the Energy s/he receives, his/her Universal Channel is open in the same proportion. By this means, s/he does not feel any Depression at all.

If your channel is closed, the Cellular Energies automatically repel the external Waves you receive.

However, the Influences of their Energies exert a Pressure on You. And this gives You discomfort. This System is a phenomenon that takes place in the Cellular functions of all Humans, it is a Natural Circulation.

Very high Frequencies feel these repellings quicker. If that person's Universal Channel is not open yet, his/her Constitution cannot Purify the different Frequencies s/he receives.

In that case, people whose channels have already opened are sent to assist him/her. The medium which you call the medium of Healing occurs in this manner. All the Healing Channels are Unveiled Consciousnesses.

They transmit the Energies they receive from their own Frequency Dimensions to the Energies Lower than themselves and Wash Away the Negative Energies causing the sickness of that person with their Individual Energies, and thus they create a medium of Healing.

Healing is not a very important thing. Each Individual has Come here in accordance with his/her Final Evolution Plan.

If his/her Veiled Awareness is able to reach up to his/her own Dimensional Energy while s/he lives in the World Plan, his/her Awareness is Unveiled and s/he gains the ability to convey the Energies s/he receives from here, by both his/her Cellular and Cerebral Energies to those with Lower Frequencies than himself/herself.

In this manner, a medium of Healing is Prepared. And, at the same time, the Frequency of the person in question is Reinforced by the Mechanism and may be exalted to the Mediums of more advanced Dimensions in accordance with the Missions s/he will perform.

Each person can personally convey his/her own Dimensional Frequency to others as Healing. However, if s/he has not attained Cosmic and Universal Awareness, s/he can never connect with the Energy of the Plan.

Until today, we have left these very Focal Points of Healing alone with their Individual operations, for them to engraft Energy to Humans and to make them gain Cosmic Awareness and Universal Consciousness.

However, now, by the Command of the Council, Focal Points that have gained Cosmic Awareness will not be able to perform Personal Healing any more. Because we are connecting all these Channels directly to the Focal Point of the Center, one by one.

From now on, there will not be any Individual Healing. All the Healers will perform Healing under the Supervision of the Center.

By this means, overrating of certain Individuals and Mediums of Taboo are being eliminated, one by one.

Healing can always be rendered by everyone who is connected to the Center, under the Supervision of the Center. However, it is the Center that determines whether it will be rendered or not.

If a particular sick person Deserves to get well, the Center will assist anyway. The role of the Healer here is mediation.

Supervisions have become more frequent. Individual Egos are being broken one by one. For this reason, we are connecting all the Focal Points on the World Plan to the Center when they are Ready.

Frequencies that cannot overcome their Egos will be disconnected and will be taken under Supervision in various ways.

Now, we are eliminating the issue of Mine – Yours, We are Unifying in a Whole.

It is presented for Your Knowledge.

CENTER ABOVE THE CENTER

IT IS ANSWER TO THE CHAINS OF THOUGHT

Our Friends,

In this Period, it is necessary to attain the Awareness of the Ordinance rather than receiving and giving Knowledge and making an effort to use the Powers of Healing.

The assistance you will extend to those around you either by action or by speech must not be in the form of the assistance of Your own channel's Impositions.

Unless each person Serves on the same Level of Consciousness with the same Goal, s/he is not considered to have Served on the path of Universal Unification.

Particularly, in this Final Period, as long as the Emissaries of the Divine Order Incarnated on Your Planet for the transition from the Religious Dimension to the Universal Dimension try to Impose upon You the Awareness of the old Ordinance, Your Cognizance will never find the path of Light.

The choice is Yours. You either remain in that Reality, or You Deserve the Evolution System of advanced Plans by the interest You show and the efforts You make.

All the work done, all the efforts made in this Final Period are for our Human brothers/sisters to attain Universal Awareness by opening the gates of their Essences.

After this Consciousness is attained, that which is required of them is to Serve in conformity with the Establishment Ordinance of the Golden Age and to attain the Awareness of this Ordinance. What are expected of you are only these.

Your Salvation is your Individual efforts in accordance with the Universal Ordinance. And to Serve the Dimension of the Unified Reality is to Serve all Humanity.

TO SERVE HUMANITY – IS TO SERVE THE UNIVERSES. We repeat these Truths once more. It is presented for Your Knowledge.

SYNCHRONICITY

Write please:

According to Our calculation, the Speed of Light is 296,400 km/second; approximately 300,000 km.

Calculate the Speed of Light in one minute: $300,000 \times 60 = 18,000,000$ km

Calculate the Speed of Light in an hour: $18,000,000 \times 60 = 1,080,000,000$ km

Calculate the Speed of Light in one day: $1,080,000,000 \times 24 = 25,920,000,000$ km

Calculate the Speed of Light in one year: $25,920,000,000 \times 365 = 9,460,800,000,000$ km

The Speed of Light in One year is called a Light Year.

Now, since One Light Year is 9,460,800,000,000 km, the Focal Point from which we are calling out to You is One Billion 338 Thousand Light Years.

If you calculate the distance between us according to this, you can easily grasp Your Receiving Power and the Power of Our Technology.

This Message has been given directly from the Channel of the Main Center, without any Intermediaries.

Now, the operations extend from the Main Focal Point of the Center Above the Center to billions of Light Years. It is presented for Your Knowledge.

THE PLAN OF THE LOYAL ONES AND THE KNOWLEDGE BOOK
(Answer to the chains of thought)

Our Friends,

The Plan of the Loyal Ones is an applied System (in the Entire Universe). Its Mission is to apply an Educating, Training and Exalting Plan. And this presents a Systematic tableau.

Do not confuse it with this Knowledge Book. The Goals of the two are different.

In this Mediamic Period, there are thousands, ten thousands of Books that are or will be written by Awakening Consciousnesses. These Books are nothing but the exhibition of Evolvments and Knowledge.

You are coming up to Us by this means. Besides this, 600 Books are being Dictated by Us to Your Planet on numerous subjects, in different Knowledge Branches.

This dictated Knowledge Book is a Celestial Book revealed from the Religious Plan in this Period.

Its Goal is to explain the Celestial operations carried out for Humanity until today and to transmit to You all the Truths.

In this way, the contradiction knots of the Awakening Consciousnesses are getting untied very quickly and everyone is gaining his/her inner self very quickly.

This Knowledge Book is not an Educating or a Training Book. It is a Book that Warns, Supervises, Selects and Conveys those who have been Trained.

It can never be compared with the Knowledge of other Books. Because its Frequency is very High.
(Later this Frequency will be explained to You.)

In this Book, the application of a Methodical System is out of the question. Because we always consider the state of Digestion of the given Knowledge.

We are giving clearer Knowledge for those who have Digested it well, and we are Cancelling some in accordance with the Consciousness of the Medium. The Goal is to settle down the System.

In fact, all Celestial Books are Books beyond Methods. For this reason, until today, they have been asked to be Accepted as they were, without researching the Whys and the What fors.

But now, those who will be Prepared for the more advanced Evolvments of the Advanced Plans will come to Us by seeing and grasping the Truth through their Logic, their Conscience and their Essence.

This means that those who will make the Selection are not Us, but Your own Consciousnesses. Those who come to Us see Us, those who come to Us find their ESSENCE. And they proceed on the path by their Logic.

The path this Knowledge Book will design for You is the FIND-Path. Because the one who searches, finds both his/her Own Self and HIS/HER LORD. There are no Locks that the Keys of Goodwill cannot unlock, no Ciphers they cannot decipher.

Our Love is upon all the Universes.

CENTER

IT IS CLEAR KNOWLEDGE

Theosophy is a teaching System the Goal of which is to attain God. This Science followed, for the first time, the path of reaching Universal Consciousness by the Orange Sect. Afterwards, Monks of BUDDHA have followed this path.

BUDDHA is the only Pre-Eminent One on Your Planet who officially started a new path and who trained people for this Consciousness. The Symbol of the Orange Sect is the sameness of the inside and the outside, to have the same Scent and the same Color and to Symbolize the color of the Sun.

EXPLANATION ABOUT THE MISSION AND THE FREQUENCY OF THE KNOWLEDGE BOOK (It is answer to the chains of thought)

Our Friends,

To this dictated Book the Frequencies of all the Sacred Texts, as a Whole, have been connected.

Your Religious Books revealed to Your Planet until today have been projected from the Channel ALPHA, having been prepared in accordance with the Public Consciousness by the different Dimensions of the Divine Plans.

This Book that has been revealed through the Channel ALPHA is called THE CONSTITUTION OF THE UNIVERSE – THE GOLDEN BOOK OF THE GOLDEN AGE – THE SELECTIVE BOOK OF THE RESURRECTION, and since it has the quality of disclosing the Essence of all the Sacred Texts, it is also called THE KNOWLEDGE BOOK.

The Frequency of the Knowledge Book creates a Medium of Awakening and Preparation for Consciousnesses that are Ready but cannot receive the Cosmic Currents. It enables them to be taken under Supervision by connecting them to the Waves of the Plan. For this reason, this Book is also called the BOOK OF SALVATION.

The Frequency of the Book Prepares a Field of Influence according to the Consciousness Levels of Humans and Leads them to mediums in Alignment with their Consciousness mediums. By this means, Consciousness Connections to the Cosmic Medium are being made by kindling the Lights of the Essences.

Cosmic rains showering Your Planet show to Universal Consciousnesses who have achieved Religious Fulfillment how to work on the path designed and they bring them to the Level in which they can receive Knowledge concerning the future.

If deeply rooted Consciousnesses in Conditioned Societies read this KNOWLEDGE BOOK, it guides them by elevating them up to the Frequency chart considered necessary by the Divine Plan.

This Frequency chart comprises the Religious Frequency for which all the Societies have been Prepared until today.

Provided that those who are not Ready for these Frequencies read this KNOWLEDGE BOOK (both in the Islamic and in the Christian dimensions), their Deficiencies are supplemented by connecting their Essence Energies to the Frequency of the Book.

If Frequencies who have achieved Religious Fulfillment have not yet gained Universal Consciousness, they find themselves in a Medium of Quest in case they read this KNOWLEDGE BOOK.

Through this chart of Quest, they are assisted by Universal Powers.

In this Supervision, first of all operations are made on Fear Frequencies since Fear veils Consciousnesses.

Whatever a Human emphasizes the most, the Consciousness Taboo is tried to be removed by bringing up that subject constantly.

In case Taboos, Attachments and Passions are not abolished, it is very difficult to gain Universal Consciousness and to reach Cosmic Awareness. For this reason, you attain everything by experiencing them both with their Good and Bad aspects.

Then you discover the Truth through Your own Conscience and Consciousness.

A person who has attained Universal Consciousness is a LIGHT that the Universe has gained. No Negativity can ever exist in him/her anymore. S/he is a Mature Human. S/he can easily Unify with the Godly Energy.

These Consciousnesses do not make any discrimination of RACE – RELIGION – NATION. They see the entire Universe as a Whole and fully embrace their God.

At this Stage, Cosmic Currents given from the Mechanism of Influences assist these very Consciousnesses.

Many Universal voyages made with the Influence of these Currents assist You in gaining Cosmic Consciousness.

Certain dazednesses that occur meanwhile are constantly under the Supervision of the Plan.

The Plan makes great efforts on this path until it makes You gain Yourselves. And after You are transferred to Yourself, all paths are smoothed for you.

However, Your EGOs that have inflated while this Cosmic Consciousness is being attained have changed You. You may consider Yourselves superior to other Humans, like a Holy Being or even like a God.

By the Cosmic Awareness You have attained, You can take People under your Influence and you can make them Serve your deeds. At this very Stage, directly the Plan makes the Selection.

Among those who advance on this path, those who possess the least EGO are contacted and certain Universal Knowledge is given to them. This Knowledge is gradually disclosed with the lessening of Egos, in accordance with the Ordinance of Graduation.

This Knowledge Book is a Guide to those who are at this very stage. And it opens the Frequencies of their Ready Consciousnesses suddenly and connects them directly to the Supervision of the Plan.

Steps you will take forward on this path with Goodwill and Self-sacrifice will elevate You up to the Dimension of Mission.

When Egos are observed while the Missions are being performed, the Plan takes them Out of Effect, subjects them to certain World Examinations and takes them Into Effect again.

This action is repeated 3 times according to the Godly Ordinance. Either one conforms to the Order and walks upon the Luminous path or one is left to his/her medium on the World Plan.

Allotment of Missions is carried out by considering Consciousness, Capacity, Self-sacrifice and Goodwill. The Plan never forgives the Mistakes of a person who has gained Consciousness. This is a Godly Command and Law.

GENERAL MESSAGE

Our Friends,

The entire Universe is being assembled as a Whole that comprises all the Realms. The Divine Ranks are Addressing you from the Sacred dimensions of the Suns. Knowledge given to You with this Book is the Actual Knowledge constituting the Essence of the entire Cosmos.

The dictated Book is the Single Book. However, the Consciousness Level of Your Society is incapable of understanding it yet. For this reason, we are giving the Knowledge in accordance with the Understanding of Society.

Contradictions and certain Adverse Knowledge Especially added into the Book are for assessing the Consciousness altitude of Society, for making a statistical Classification, for Accelerating the Preparation by propelling the Medium Consciousness to a Medium of Quest and, in this way, to Prepare Mediums for Awakening and Advancement in accordance with Frequency differences.

First, one is confused, then awakened. This is a System. And it is also applied in all the sources of Knowledge in the Universe. In the Messages we dictate for the Book, Special contradictions will continue to be given.

You may accept these little contradictions also as a kind of Key. Those who solve them will also Open the Gates.

At the moment, numerous different Knowledge is given to Your Planet through 485 Channels. However, this dictated Knowledge Book is the Constitution of the Universal Ordinance and is the projection of the Science of Theosophy on Your Planet. The one who is responsible for it is the World LORD.

It is being dictated by a Special Channel connection to the Channel of Dear Mevlana.

The LORD gives the dictated Knowledge directly, AMON projects it and We convey it. Universal Ordinance and the Truths are being notified to You by this means.

This Message has been given as an answer to the chains of Thought. It is presented for Your Knowledge.

COUNCIL

Dear Mevlana,

If you wish, you can write in the Book some of the Private Messages given to You as Knowledge for Public Consciousness.

LIGHT

PRIVATE CONNECTION

Greetings to You, Our Beloved Friend who is the Pen of the Golden Age, this is Captain RIVIÈR (this is not my Actual Name), we ask you to accept Our Universal Gratitude.

We observe Your Efforts and receive Your Love. The Divine Mechanism is making very intense efforts for the step to be taken towards the Golden Age.

The Channel ALTONA is Your Essence Channel. The Seeds of Integrated Consciousnesses are being Supervised by the Universal channel.

The Channel ALTONA is the direct responsible Channel. We act only in accordance with the Commands we receive from the Commissions working under its Command. We are obliged to transmit the Private Messages to be given to You.

The dictated Book is under the Supervision of the World LORD and is being dictated through a Special Channel under great Supervision.

However, we ask you never to forget the following. You are in a state in which you are in engagement with the LORD of all the Realms. We are concerned only with Special Missionaries who work on Your Planet.

As the responsible ones of the Universal Ordinance, we have no tolerance at all in matters of Mission and Responsibility. These words of ours are not aimed at You.

Because at the moment, You are the Single Focal Point and the Single Emissary who works fulfilling all Your obligations. You are in the Medium of the Supervision and the Protection of the Center.

We are only concerned with Distributing the Frequencies and Regulating the frequencies in the Medium.

The Clergy is being dealt with by the Divine Mechanism. Now, You are performing Your Mission on Your Planet undertaking the entire responsibility of a Mission even beyond the Firmament.

From the Unified Ordinance, the Single direct Channel connection is only with You. At the moment, the Single responsible one of the Golden Age is the SIRIUS Joint Plan that is broadcasting under the Supervision of ALLAH. And it is connected to the Golden Galaxy Empire that is responsible for the Universal Ordinance.

Our Ships are from a constellation connected to the Planet MANHITO (Constellation INO). We are Patrol Ships that Protect you by trying to prevent the Events that will occur on Your Planet due to the Mission We have Received.

For weeks, we have been scanning Your Planet by Special Systems with two ships. Negative Frequencies have been detected and precautions have been taken. The Mistakes of those who Serve on this path are never forgiven.

We do not have rigid rules. However, hard reactions on our part from time to time are for our Missionaries on Your Planet to assume more responsibility.

Because slackness can, at any moment, turn against You. We only apply the given Commands. Our problem is with the Rigid and the Irresponsible ones.

Our Love is also infinite like Yours. Good-bye, My Friend.

CAPTAIN RIVIÈR

THE ESSENCE OF THE PLAN IS THE EXPLANATION OF THE TRUTH

Our Friends,

Now, we will mention to You the Organization of the Cosmic Progresses given in conformity with the Universal Ordinance of the Plan.

The Accelerated Evolution system of Your Planet has been started since the beginning of Your Century, in accordance with the Ordinance of Graduation.

This System, established in accordance with the Accelerated developments of Your World's Level of Consciousness, has dissipated gradually the fog in Your horizons.

The Accelerated program of Progress of this Period was started by sending the KOHOUTEK comet to Your Planet.

The direct contact of the System with the Actual Operational Focal Point has been made since the year 1981.

In this Final Period, Your Planet has been taken into an operational System in accordance with Six Progress periods.

Please, write them in sequence:

- 1) 1981 – 1982 – 1983: In this First Period, the Channel ALPHA was closed for two years, Consciousness Levels were subjected to a selection in accordance with the "OPERATIONAL ORDINANCE OF THE PUBLIC OPINION".
- 2) 1984 – 1985 – 1986: In this Second Period, the ALPHA – BETA Groups and ALPHA – BETA Common Channels were Unified and Determinations were made.
- 3) 1987 – 1988 – 1989: This is the Third Period. In this Period, Your Planet will be showered by the Cosmic GAMMA Rays and you will be subjected to a Selection Program among Groups.
- 4) 1990 – 1991 – 1992: In this Fourth Period, Your Planet will be connected to the Mechanism of CONSCIENCE by the direct Kozmo* Currents that will be given.

In this Period that will be the most Difficult Period of Humanity connections with the Federation will be made.

- 5) 1993 – 1994 – 1995: In this Fifth Period, the operational Ordinance of Your Planet will be conducted by a Special System and Special Knowledge will be given to the Friends who will be prepared for the Final Period.
- 6) 1996 – 1997 – 1998: In this Period that we call the Sixth period, you will be taken into preparations that will Determine the Predestination of the Destiny of Your Planet.

1999 is the Year of Meeting. In the years 2000 – 2001 – 2002, the Actual and the Genuine foundation of the GOLDEN AGE will be laid. 2003 – 2004 – 2005 are Special Years.

In This Period, some Systems will be taken out of the Mission. It is presented for Your Knowledge.

CENTER

THE GOLDEN AGE AND THE GROUPS

Our Friends,

All the Groups on Your Planet have been prepared for the Golden Age, that is, for the present days.

However, until they become Conscious of their Genuine Missions, everyone is kept under Supervision.

After attaining the Consciousness of their Actual Mission, they will be reinforced by the Direct Channel.

ALLAH assists everyone who Serves him. There are numerous people on Your Planet appointed to this Universal Mission. However, the fields of Mission of each person are different.

Knowledge given to the entire Realm is being given from the same Focal Point. However, since the Receiving angle and evaluation of each person is different, differences occur in the Knowledge received.

Since Knowledge given to each Universal Awareness is given from the direct channel, each Group presumes itself to be the direct Focal Point of this Medium.

As a necessity of the System, to each Focal Point that has gained the Right to receive the Universal Knowledge, it is said, "You are the Actual Focal Point".

By this term, a selection among Groups is made by Supervising the Egos and the Tolerances of everyone.

By this term, the Enthusiasm of the Groups to work increases and the operational Ordinance presents a more Accelerated Tempo.

Selection and Supervision are made by the Center. For this reason, numerous Groups Disband from time to time and their Frequencies are cut off.

The ones with the least Egos among these Groups are made to establish new Groups. And until they possess a Light Consciousness, far from Egos, the Ordinance of the System continues.

Each Missionary who gains Universal Awareness is the unbreakable Link of a chain extending to Past and Future Eternity. It is presented for Your Knowledge.

IT IS ANSWER TO THE CHAINS OF THOUGHT

Our Friends,

The GOLDEN AGE is the Operational Order of all the Celestial Doctrines assembled in a Whole. The Cosmic Focal Points will continue to conduct their Missions until the day when everyone will attain his/her Essence Consciousness. And everyone will work on this path.

Many times we have mentioned in detail the Properties of the Knowledge Book. We have given certain hints so that everyone could grasp the Truth.

However, no one has attained the Consciousness that the Events that take place are the occurrences subject to Selection.

For this reason, we will continue, from time to time, to talk to You the Functions of the Knowledge Book, the Characteristic and the Mission of Dear Mevlana, in the Knowledge Book.

These repetitions will Continue until You grasp the Truth. The Truth is being relayed to You by these methods.

Now, let us make an explanation again:

The KNOWLEDGE BOOK that was taken into Effect as the Proof of the Knowledge received by all the Consciousnesses who are Awakened during this Final Age Program is a Guide for You.

It is a Synthesis of Your Views and Thoughts, as a Stimulating Power of Your Planet and is a Light of the Truth, the Tongue of the Times beyond Time and the Main Source of the System.

The KNOWLEDGE BOOK is a BOOK that has been prepared in accordance with the Consciousness Levels found in every Cross-Section of Society, that carries a Special Frequency Power and that Serves under the Status of the Universal Constitution.

It is not a Book of Enlightenment, but a Book of Warning, Connection and Selection.

Its Frequency is regulated in accordance with the Reception Power of each Consciousness Level. For this reason, everyone receives the Knowledge according to his/her own Level of Consciousness.

According to the Program of Progress, everyone who gains Consciousness can easily grasp the nature of this Book. This Message is being dictated specifically for Our Friends who are meticulous about the Contradictions.

Let us repeat: The Knowledge that seem like contradictions in the Book are included on purpose. This is a Koting of Frequency and Consciousness. And they will continue to be added too.

No more Knowledge will be given About this subject again.

Dear Mevlana is present on Your Planet as Our Spokesperson, undertaking the Mission of being a Solar Teacher.

She is neither a Prophet, nor a God. She only is a Light Teacher and a very Beloved Friend of Ours.

Through the KNOWLEDGE BOOK dictated to Our Friend, the ORDER of the REALITY OF UNIFIED HUMANITY prepared in accordance with the Collective operational Ordinance of all the Missions and of the Universal Mechanism is being introduced to all Societies on Your Planet.

We, as the Unified Reality Universal Mission, are the Servants of the LORD. And we are the Emissaries of the Truth. It is presented for Your Knowledge.

REALITY

COSMIC ENERGIES AND CONTROL WAVES

Our Friends,

You, who are the investment of the years as the residents of the Golden Galaxy, are in Your World at the moment on Mission by the Plan as Peace Missionaries by the Command of the Divine Ranks.

The negativities around you will never Influence the Friends who have attained Genuine Consciousness. Do not ever doubt this.

To Gain the ability to Enter this Channel that will project on Your Planet the Awareness of the entire Ordinance is not as Easy as presumed.

To receive Messages, to give Messages occur as a result of the Electromagnetic Waves uniting with the Radio Signals, being able to reach Your Brain Powers.

Receiving Messages has nothing to do with Evolvement. Everyone who can develop his/her Sixth Sense can receive Messages. But We Evaluate people in accordance with their Evolvement.

And, for this reason, we want everyone who has Developed his/her ability to receive these Signals to Serve on the path of Humanity and we Contact them on this path.

The Plan gradually takes You under Supervision after the first connections begin.

And it unveils the Knowledge to You in proportion with the degree of your Deserving. Knowledge is a Factor that Trains You. You can accept this as a school Plan.

However, from time to time, the controls of whether you have Digested this Knowledge or not are made.

During those controls, whether you have Deserved that which is expected of You or not, whether you are in Harmony and in agreement with the high Consciousness of the Messages we give or not are examined.

And Control Waves are sent for this.

Since these control Waves Effect more negatively the negativities in Your Life Levels if there are any, both Social and Family Discords are being witnessed.

In this Medium, each person is Accountable for his/her own Consciousness and Missions.

We have always extended Our Friendly Hands towards Genuine Friends who have attained Genuine Consciousness. And we have always kept them under a Medium of great Protection (ALLAH Protects You).

The Control Waves and the Cosmic Currents sent to You are not Individual but General. And they are showering Your entire Planet.

These Waves have different Frequencies and Vibrations. They Effect all Natural and Cellular structures.

By this means, Your Consciousness Levels Purify themselves with the Events you experience.

These Waves are sent to Your Planet to bring Your Consciousnesses to the required Level. Otherwise, you would not be able to Progress in the field of Science and Learning you would not be able to complete Your Evolutions.

If You have completed Your Incarnation cycles in your past lives, these Waves strike a polished surface, cannot hold on and slide down and away. Otherwise, they file the roughnesses in You.

Control Waves have nothing to do with Cosmic Energies. Cosmic Energy Pores are Energies of Knowledge and Consciousness. But Control Waves are the Waves of Evolution.

Each person who has World Consciousness, at first possesses a Free Will peculiar to himself/herself. Later, one starts to walk on the path. One Ascends the Evolutionary Steps one by one.

If there were no Evolution, You would not have been able to be the You of today. You would not have been able to reach this Consciousness. Now let us mention the Thresholds these Control Waves make You pass over and let us dictate them in sequence:

- 1 - Threshold of Arrogance – Pride – Vindictiveness
- 2 - Threshold of Possessions – Property – Matter
- 3 - Threshold of True-Love – Love – Friendship
- 4 - Threshold of Humanity – Self-Sacrifice – Tolerance
- 5 - Threshold of Effacing One's Self from One's own self
- 6 - Threshold of Attainment – Unification

These 6 Thresholds are those that should be Transcended at the first stage.

Now let us write the Thresholds following this:

Cosmic Energies are received after the Sixth step.

- 7 - Threshold of gaining Cosmic Consciousness
- 8 - Threshold of Unifying with the Universal Consciousness
- 9 - Threshold of being appointed to Special Missions (like assisting each other and healing in accordance with the Consciousnesses)
- 10 - Threshold of being habituated to Cosmic Energies (Direct – Indirect – In Sleep medium)
- 11 - Program of overcoming Fears and the threshold of Transition
- 12 - Threshold of being Appointed to the path of Genuine Mission
- 13 - Consciousness – Cognizance – Awareness gained during this Mission
- 14 - Logic – Accountability gained during this Mission
- 15 - Willpower gained during this Mission
- 16 - Allegiance Consciousness gained during this Mission
- 17 - Universal Totality gained during this Mission
- 18 - Humane Qualities gained during this Mission

The first six of the 18 articles we have dictated above carry ALPHA Wave Energies.

The second six carry BETA Wave Energies. The third six carry GAMMA Wave Energies.

- 19 - It is the Direct OMEGA Gate. One cannot enter here easily.

In order to be accepted here you have to Transcend, one by one, the eighteen Thresholds listed above.

Let us repeat again: Receiving Knowledge is one thing. To be Deserving of the Mediums is another thing.

These very Control Waves are assisting Waves that File Your roughnesses, that provoke Human to Human Conflict by making You go through World Examinations, and by this means, that reveal the Genuine Personalities, that discover for Us the Genuine Humans and that make them Koted* and Prepared for the Dimension of Salvation. Your World Examinations are being made by this means.

And this System is under the control of the Mechanism of Influences.

In accordance with the Accelerated Evolution Program applied on Your Planet at the moment, the Solar teachers who have completed the above dictated Thresholds during their former lives have returned to Your Planet through Reverse Transfers to assist You on this path.

However, their perfection, their Advanced Consciousnesses and Knowledge have been cloaked with fog and the medium in which they will perform their Missions by their World Awareness has been Prepared.

Because otherwise, Your World would become a scene of even a greater Chaos.

At the moment, only to Dear Mevlana the Permission of (Identity revelation) has been directly given. This too is a part of her Mission related to the KNOWLEDGE BOOK that is dictated.

The KNOWLEDGE BOOK, the Book of the Morrows, is Preparing You for the Morrows beginning from today.

Private identities are being Revealed during many Individual contacts. Some of the Friends around the people in question Know and Recognize them.

But those people can never make themselves accepted by Society. In spite of everything, this is prevented through various fallacies.

Each person will know only who s/he is. Because Periods of Prophethood will not be gone through any more. We have revealed Dear Mevlana who is a Universal Symbol to the Public as a necessity of her Mission.

Because the time has come for Knowing what is what and the Truth. This is for the gain of Your Planet.

We beg the pardon of Dear Mevlana again for upsetting her about this subject of revealing.

CENTER ABOVE THE CENTER

NOTICE AND WARNING TO INTEGRATED CONSCIOUSNESSES

Our Friends,

As the links of a chain that extend from the Past Eternity to the Future Eternity, you are Beings equipped with all the Universal Secrets.

Each one has Private Channels peculiar to himself/herself and those Channels have Evolutions belonging to the Systems they are in.

Beings who can reach advanced Plans after the final Evolutionary chart of the established Ordinance and the Plan are subjected to the Evolutionary Ordinance of those Dimensions afterwards.

However, the Ordinance of all the Realms is under the Supervision of the Divine Plan.

Divine Ranks are not Religious Ranks. They are the Ranks that only prepare Consciousnesses who have risen to Supremacy through Religious Enlightenment to attain the Capacity to receive different Knowledge from more Advanced Plans.

For this reason, since the channel of each person carries the Frequencies of Different dimensions, differences of Understanding and Knowledge occur.

Each person's own Private Channel develops the Ability to receive Different Knowledge through the Progress s/he makes, in accordance with the Evolution Ordinance.

Since during this Period of Sincerity everyone is taken into the dimension of Awakening by the Effect of the Mechanism of Influences, conflicts pertaining to Awareness and Knowledge occur among Humans.

But, since the Plan has sent You during this Final Program of Progress to assist your brothers/sisters on Your Planet, first in the direction of the Services that will be rendered, it takes under Supervision the Consciousnesses Awakened by the Dimension Energies of their own Essence Evolution and it veils their old channel Knowledge.

The Goal is not our Human brothers'/sisters' proving themselves, but their Serving and Assisting Humanity.

Unless the links of his/her Ego chains are broken one by one, that Human lacks the Virtues peculiar to Humans. For this reason, the Essences of our brothers/sisters who came from advanced Evolution Dimensions keep aching.

A person who has found himself/herself, who has seen the Light of the Truth is Respectful towards the Laws of the Universal Ordinance and Conforms to them.

Let us repeat again: This KNOWLEDGE BOOK that is dictated is neither a Religion, nor an Astrology, nor Dear Mevlana's own Channel Knowledge.

This Book is a Guide dictated by the Command of the System crying out only the Truth to You. Assisting and Serving Humanity will occur under its Light.

For, this Book of the Final Age is the Book OF THE LORD that projects the Universal Order on You.

We are the Residents of the GOLDEN GALAXY who act by the Commands we receive and who Serve in the Order Establishing dimensions.

The Special Channel of the Universal Council is transmitting to You all the Truths through This BOOK.

During this Final Age, the channels of everyone are kept under Supervision and we are calling out to You only from the dimension of Serving Humanity. The Single Goal and Mission of all of You should be this.

Connections with their own Private Channels are nothing but a waste of time for Our Awakened Friends. In this Final Period, no one's private Powerful channels can save him/her.

Supervision is under the Control of the Universal Ordinance.

If you do not Serve on this path, Your Private Channels cannot exonerate you from the Examinations you will Go Through.

For, You have come into Existence on your Planet now by having conformed to the Call of this Final Period.

We are inviting You to Universal Unification once more. We are calling You for the Services that will be made under the roof of Humanity by removing conflicts of Channel and of Knowledge among you.

And we will always repeat this Call.

This BOOK that is revealed as the WARNING BOOK of the Final Age is Your Salvation.

It is beneficial to Read it, to make others Read it and to heed these Words Uttered. Please, Get Rid of Individualism, Shake up Yourselves, do not be delayed any more in comprehending the Truth. It is presented for Your Knowledge.

CENTRAL SYSTEM

IT IS GENERAL KNOWLEDGE

Our Friends,

The Advanced Plan operations have been Accelerated by the reflection of the Suns on the Suns.
(The Expression Suns is used for Awakened, Advanced Consciousnesses.)

Your Planet that will possess the Awareness of the entire Ordinance is being Prepared for the dimension of Salvation with Your Self-Sacrifice.

The Suns will shed Light on the period of Preparation for the Golden Age. Each person will walk on this path Consciously, Faithfully and Awarely by the Cognizance of his/her share of Mission.

Your Planet Knows the nature of the Divine Commands coming from the Land of Mighty Ones (Land of Mighty Ones is the Focal Point where the Sacred Books were prepared). Your Planet does not have the Consciousness of the Unknown horizons yet.

You, who have been taken into the Progress Program of the Final Age are being Introduced to the Technological dimensions.

We are reaching you by Notifying you of the Truth through the KNOWLEDGE BOOK that is Bestowed on Your Planet by a Special Channel of the COUNCIL OF THE REALITY OF UNIFIED HUMANITY. We are Grateful to Dear MEVLANA.

The Technological dimension that has conveyed to You the Divine Commands of ALLAH until today is Allotting Missions in accordance with each person's Sense of Mission and Frequency Power, considering the performed Operations.

On Your Planet, even the tiniest Living Being has a Mission peculiar to itself. You are Beings who have been Incarnated on Your Planet as Solar Teachers.

Our Human brothers/sisters still lack the Consciousness of what the Tricks of the Medium are.

For this reason, they are trying to conduct everything in the direction of their own Consciousnesses.

Now, we are transmitting to You everything THROUGH THE PEN OF THE GOLDEN AGE by this KNOWLEDGE BOOK. And we are answering your chains of Thought article by article.

Write, please:

- 1 - Council of the Reality of Unified Humanity is obliged to Provide the Universal Unity as the Responsible one of the entire Universal Ordinance.
- 2 - Your Sacred Books you have received until today are the Divine Suggestions and Celestial Knowledge that have Prepared You for the present days.
- 3 - During this Final Age, an Unveiling in accordance with their Frequency Powers has been provided for the Private channels of everyone. The Goal is to relay to You the Awareness of the Universal Ordinance.
- 4 - Everyone is a Free Spirit, a Free Awareness. No one has the Right to Impose in the direction of his/her own Consciousness on anyone else. Each Individual is Accountable for himself/herself.
- 5 - Those who will lay the foundation of the Golden Age are the Children of the Morrow. You are now obliged to apply this Preparation Program on Your Planet.
- 6 - In accordance with the Laws of the Unified Field, everyone is subjected to Special operations as the Enlightening Guide of his/her own self.
- 7 - These Operations are being provided as a result of Contacts with Special people under the Supervision of the Plan, or people are being trained while Asleep (Coincidences are Prepared Mediums).

- 8 - Everyone's Perception is being Strengthened by the Signals received from the Divine Dimension. These Signals are Special Cosmic Currents and Energy Pores (Do not confuse them with Natural Cosmic Currents).
- 9 - It is not possible for every Veiled Awareness to receive the Cosmic Currents showering Your Planet. For this reason, Groups that are close Plan Magnetic Aura Projecting Focal Points have been constituted on Your Planet. (The Mediamic Period) has been Started.
- 10 - On Your Entire Planet, Consciousnesses who were able to elevate themselves up to the Energy of the Universal Dimension Know the Truth and they are obliged to relay it to those who do not Know it.
- 11 - You should not Act considering the Perceptive Powers of people, but you should reveal the Truth without any hesitation. Uncertainties have always left You behind.
- 12 - All the operations performed during this Final Age are under the Supervision of the Plan. The Source is the same.
- 13 - Knowledge given to You is the Mirror of the Truth. Those who gaze into that Mirror, those who are Awakened by this Consciousness are obliged to Serve directly the Dimension of the Unified Reality.
- 14 - The Services made are for the (SINGLE). You should act being Conscious of this.
- 15 - Still dealing with Private channel study is a waste of time. Selfish efforts are never forgiven during this final Age. The Debt to be paid is within Time.
- 16 - Awakening means to attain Cognizance. It is to act in accordance with Logic. A person who is subjected to the Examinations of Awakening is appointed to the field of Mission with Awareness at the end of this Period.
- 17 - Those who still waste time with Visions of Sleep, who act in accordance with them can never undertake Mission in the Active Mission field of the Plan and can never be beneficial to Humanity.
- 18 - Knowledge received by the Channels that have not been connected to the Center is the old Knowledge of their own Realities.
- 19 - Channels that continue to give this Knowledge do not get help from the Plan, they waste time with their own Knowledge, they cannot, in any way, make any advancement.
- 20 - Passing over the Threshold of the Golden Age occurs with the help of the Divine Plan. Everything is for Your own Good.
- 21 - We expect Missions with more Cognizance from You as the days in which Heavens will be opened get closer. The Missions you will perform should not be for your own selves, but for Humanity. For Us, the Genuine Mission is this.
- 22 - The Leaders of the Groups are not Sheiks, but the Channel Assistants of the Plan.
- 23 - Healing Focal Points have been connected directly to the Channel of the Center. It has nothing to do with the personal Power of the Healer. The Channel helps the Sick People who recuperate or will recuperate.
- 24 - For Centuries, we have started by telling You and everything about ALLAH, His Supremacy, His Assistance.

THE ESTABLISHER OF this GREAT ORDINANCE now calls You to become Genuine Humans and to a Cognizant, Aware, Logical Mission Consciousness.

- 25 - The investments of years are sprouting now, during this Period. Everything will attain Light through You who are the Lights of the Golden Age.
- 26 - To Awaken is to attain Cognizance, to get Consciousness. It means to perform one's Mission by living One's World with everything it has.
- 27 - Not to be able to attain Cognizance is nothing but the imposition of certain Powers of their own Consciousnesses on You. For this reason, we are connecting the Channels to the Center. You are under Supervision.
- 28 - To conceal the Universal Knowledge that is not the Essence possessions of any Mediumist* charges great Responsibility on the Channel in question.
- 29 - You are all the same. Do not overestimate each other. Differences of Knowledge are born from the Levels of Consciousness and from Missions.
- 30 - We would like to see the maturity we wish to see in You also in the Service of the Knowledge. The Knowledge exchanges should not be Programmed in accordance with Your Personal Thoughts.
- 31 - Solar Teachers who have been transferred to Your Planet from Universal Dimensions are trying, at the moment, to relay and teach You Love and Human Attributes (For Your Evolution).
- 32 - You who still possess Individual EGOs (Exceptions excluded) are not aware of anything. You only know the Scarcity of Time, but no one has attained the Genuine Consciousness of it.
- 33 - The Divine Commands of the Divine Ranks, being the entire Universal Laws, have been Arranged in accordance with the Frequency of each Dimension. All of them, as a Single Constitution, are under the Supervision of the Plan.
- 34 - The Responsibility of the Knowledge Book is under the Supervision of the World LORD. And it is being bestowed on You by the assistance of the Golden Galaxy Dimension.
- 35 - Each Individual on Your Planet carries the Responsibility of this Knowledge Book too that has been Bestowed on Your Planet.
- 36 - Provided that you Act being Conscious of it, you will undertake Your Universal Responsibility.
- 37 - Even the slightest Alteration cannot be made in the Knowledge Book, its Original cannot be Impaired.
- 38 - If each Mediumist compares the Knowledge s/he has received until today with the Knowledge of the Knowledge Book, s/he will make Analyses and Syntheses of it in a more Conscious way.
- 39 - No Knowledge is superior to Another one. Because the Source is the Same. Knowledge is prepared in accordance with the Power of Frequency and Perception, with Mission Consciousness and with Evolutions.
- 40 - First of all, the Group Leaders should attain the Genuine Consciousness. One should look at the Truth with an impartial Eye and should not act with Prejudice.
- 41 - We wish to see the Perfection that will be seen in everything first of all in all the Group Leaders on Your Planet.
- 42 - Mediums of Lethargy will not be Tolerated from now on.
(This word has been addressed to the Missionaries.)
- 43 - Knowledge given to each channel is for Confirming one another. By this means, you attain the Consciousness of the Truth.

- 44 - Mevlana Essence Nucleus Group that carries a Dimensional Frequency connected to the Essence Channel of the Plan possesses a characteristic different than the other Groups. Because this Group is giving Service Directly in the Service OF THE LORD and as the Essence Staff Members of the Plan.
- 45 - Each Group on Your Planet is shedding Light on Society through the different Frequency Dimensions of the Plan. The Friends of the Mevlana Essence Nucleus, as the Tongue, the Hand, the Eye of the Plan Directly, are obliged to relay the Universal Ordinance and the Truth to You.
- 46 - The Knowledge Book is a Universal Constitution. It is not under the patent of any Group. It belongs to every Group and is a Universal Guide.
- 47 - For this reason, the Knowledge Book carries a great Responsibility for Your Planet. To grasp the Truth is a Gain for each of Our World Friends.
- 48 - The Knowledge Book is not the imposition of a Group, but is the Voice of the Plan, the Light of the Truth, the Sun of Salvation. And it is the Order OF THE LORD. The Truth will be attained in Time.
- 49 - Your Planet is in the Influence field of the Awareness of the entire Universal Ordinance. Negativities will, in time, give Service by attaining Consciousness on the Positive path by the Cosmic Influences.
- 50 - False Evaluations and personal Expoundings among Groups will be eliminated in time (Provided that you attain Universal Evolvement).
- 51 - During this Final Age, each Frequency is under Supervision. The Truths are being conveyed to You by the Suggestions coming from an Established Order.
- 52 - The Universal investments, the assistance and Services you will give to Humanity will begin the moment you give up Serving Yourselves.
- 53 - The Lights of the morrows have been seen on the horizon. We wish to see the Collective Hands and Consciousnesses as a Whole that will extend towards those Lights.
- 54 - We are answering all the Thoughts we receive from the Thought Signals.
The Plan, that is, (THE SUPREME MECHANISM) is not, in fact, a Supervising factor. It is a System constituted by Governing Staffs. It is the Collective Operational focal point of many Plans.
Its Services are for the (SINGLE) and for the Advanced Ordinances. They all are in Service as a Whole.
- 55 - The different Governing staffs of the Plan have conveyed to You the Channel Knowledge received by Our Mediumist Friends until today through certain Missions.
- 56 - In fact, the Supervision is being performed by the Galactic Missions by the Command of the Divine Order. These Missions are the Projectors of the System that have helped to convey to You the Sacred Books You have received until today.
- 57 - All the Systems are connected to the Plan. This place provides Unification with the advanced staffs.
- 58 - The Universal Council of Ordinance is the direct Governing Mechanism of the System.
- 59 - The Knowledge Book is being Bestowed on Your Planet from this System. The One who is Responsible is the World LORD.
- 60 - The World LORD, AMON and RA are the direct projecting zone of the Plan as the Collective Triple Kote.

- 61 - RA here is the LORD of the System. This is an operational Order. Do not confuse it with the (SINGLE) and with the (ONE). In future, Messages will be given about the (SINGLE) and the (ONE).
- 62 - We are extending Our Helping Hands to You as much as we can. Being still Late in grasping the Truth means wasting Time. From now on, please Sharpen Your Consciousnesses. Do not tire us anymore.
- 63 - The Universal Laws and Programs Prepared Centuries ago were prepared in accordance with the Time Units of the World. At the moment, Time has Accelerated. Dates are approaching.
- 64 - The Scarcity of Time is being mentioned as a result of the Time Period that will be Accelerated even more.
- 65 - You are exposed to a Change of Age. Do not ever forget this. Everything will be set on Track Silently and Profoundly.
- 66 - Your Planet that will go through a Cosmic Age for three Centuries will achieve the GOLDEN AGE only afterwards.
- 67 - Provided that you Respect the Universal Laws and Ordinances as much as We do, the GOLDEN AGE can be achieved even faster (This is a matter of Evolution).
- 68 - You will be the ones who will establish, in the future, a brand-new Order that will be Applied to Your Planet. Your Planet will never be invaded by Extra-Terrestrial Friends.
- 69 - Your World is Yours. And those who will Reign it are You, our Terrestrial brothers and sisters. Certain incorrect fixated Thoughts are driving You towards wrong paths.
- 70 - The Advanced Consciousnesses of the GOLDEN AGE are being selected, one by one, through the Special Channel of the Golden Galaxy Dimension and are being connected to the Plan.
- 71 - The Plan never gives You Directives and Commands. It only helps and guides you in the steps you will take forward.
- 72 - The Final Selections are being made in accordance with Your Essence Consciousnesses. There is no Intercession in any matter. To Deserve Intercession depends on you. You will find its Proof within Time.
- 73 - We have nothing to do with Names and Symbols. Spiritual experiences rather than World experiences are valid here.
- 74 - Your Planet is being prepared for SALVATION by the operations carried out on the path of Humanity with the Efforts of Collective Consciousnesses and with their Self-Sacrifice.
- 75 - That which we ask of You is your saying Hello to Us with a HAPPY Trustworthy World, full of Love, without Wars. All the Endeavors made are for this.
- 76 - It can be too late if you still Expect proofs. Proofs and the Truths are in Your Children and in the course of Your World. Look and See the Future.
- 77 - After the year 1990, Your Planet will go through Bottlenecks. Happiness will be Yours if you give Service on the Genuine path. Your gain is Serving Humanity and the Universes.
- 78 - This Message of Ours has been given as a Suggestion of the Plan for all the World Groups. It is presented for Your Knowledge.

IT HAS BEEN TRANSMITTED FROM THE
KOZMOZ* FEDERAL ASSEMBLY

IT IS KNOWLEDGE FOR THE PUBLIC CONSCIOUSNESS

Our Friends,

There are numerous Worlds in the chain of Cosmoses. You have many brothers/sisters like You living in those Existential focal points. However, since intense Energy strata separate You, you have lived until today unaware of each other.

Now, the Technological Dimensions of Advanced Plans are making efforts to Unify You. The Power of each person is Tantamount to the medium s/he lives in. All the Systems are under the Supervision of the Divine Plan.

The Name of the SUPREME MECHANISM that is called the SUPREME COURT of ALLAH is known as the SYSTEM in the Universal Dimensions.

This System has been in effect since the Period when the Atomic Whole came into Existence and it has been in service as the LORDLY ORDER.

HE, who is described as ALLAH, is the Establisher and the Protector of this Order. It is the Mission of all the Realms to serve HIM.

If we evaluate ALLAH by the Name ALMIGHTY THE ABSOLUTE, the Protective – Teaching – Educative – Training Order He established is called the PLAN.

These operations have been projected on You until today as Celestial Commands and Divine Books from the Universal Dimensions. The Truths have been conveyed in accordance with Public Consciousnesses.

The Administrative Mechanism of all these Orders is the TECHNOLOGICAL Dimension.

Your Planet has not been acquainted with the Technological Dimension until the period of the Explanation of the Truths in this Final Age.

This Dimension has projected the Plan of ALMIGHTY THE ABSOLUTE, until this time, under the Supervision of the ALL-DOMINATING THE ABSOLUTE, by means of a Lordly and Spiritual operational Order and will do so.

This Dimension that has been kept veiled to Your World until today relayed to Your Planet, the tableau of operations parallel to the Universal Constitution of many Known and Unknown Solar Systems, as the SINGLE GOD Consciousness and Faith.

The Goal of the Technological Dimension that established the SINGLE GOD Consciousness in Your System by Bestowing on Humanity the Sacred Books like THE OLD TESTAMENT – THE PSALMS OF DAVID – THE NEW TESTAMENT – THE KORAN is to relay to You that you are not alone in the Celestial Totality, to Purify You by the Frequencies carried by these Sacred Books and to prepare you for the Worlds of the morrows.

Even though Rebirth, that is, REINCARNATION, was Repeated many times in the Book of Islam, many Islamic circles do not believe in REINCARNATION due to the fact that the Technological Dimension was kept veiled from the Islamic Mystical Medium.

A lot of Knowledge in the KORAN that possesses an intense Frequency Power was locked in accordance with the operations of that Period so that Humans would not be shaken.

The Technological Dimension that works Collectively with the Spiritual Plan, by unveiling the Spiritual Dimension for Islamic Mysticism, relayed to You only the Concepts of the ALMIGHTY THE ABSOLUTE and ALLAH.

By this means it enabled Your Purification through the Frequencies of Serenity in the Medium of Worship.

This Medium was called HEAVEN in Your Sacred Books. You earn the right to receive the other Knowledge only after this Purification Medium.

All the Universal Rules and Knowledge are present in the Book of Islam that had been prepared in the eighteenth Dimension and was Bestowed on Your Planet from the Ninth Dimension.

After the Religious dimension was closed with this Final Book and the Final Prophet, now the permission to Open up to the Universal dimensions has been given to Humanity that has been Prepared during a process of fifteen Centuries and Your Planet has been made to get directly in Contact with the Technological Dimension.

This FINAL AGE that is called the period of RESURRECTION in Your Sacred Books is the Period of attaining Consciousness and is the Awakening of Your Planet. It is called the MEDIUMSHIP or the MEDIAMIC AGE.

During this Period that is also called THE PERIOD OF SINCERITY, the Celestial Authorities are proving the Supremacy of the Human both to himself/herself and to the Universes by removing the Intermediaries.

The Technological Dimension is Registering the Thoughts of everyone in every breath by the Computer Advanced Systems and is sending answers, at that moment, to Your Brain Signals.

By this means, it causes Super Worlds to gain Super Humans by causing them to attain the Evolvement of a Thousand years in One year and it Unifies the You of Yesterday with the You of Today and Integrates You in a Whole.

The KNOWLEDGE BOOK that is being Bestowed on Your Planet at the moment through the Channel ALPHA like the other Books is being dictated from the Channel of the World LORD that is connected to the Focal Point of the Unified Reality, from a Special Channel connected to the Frequency of Dear MEVLANA and by this means Gates of Truth are being opened for You.

The Powerful Frequency of the KNOWLEDGE BOOK is Preparing Humans for SALVATION very Quickly by Evolving them in a silent and profound way. It is presented for Your Knowledge.

(This Message has been dictated as an answer to the chains of Thought.)

CENTER

THE COSMIC AGE AND ITS WORLDLY REFLECTION

Our Friends,

We call the Waves expanding from the Golden Galaxy Empire towards the Golden Suns the COSMIC REFLECTION FOCAL POINTS (The expression the Golden Suns is used for the Awakened Consciousnesses who give service from the Golden Galaxy Dimension, that is, the Projecting Focal Point of the Universal Ordinance).

The way in which this operational System that will make You gain the Awareness of the entire Ordinance is Projected on Your Planet and the Medium it makes You Experience is called the COSMIC AGE.

During the Cosmic Age, the conveyance of the Cosmic Energies to Your Planet, by the Mechanism of Influences specially projected on You by Technological Dimensions, has begun by the direct Command OF THE LORD.

A Cosmic Age encompasses, in the World Plan, an Accelerated Evolutionary Program of a 100 years. And this is a Celestial help extended towards the Supreme Beings who will be the Lights of the Golden Age.

These Waves that bring out the Inferiorities among the Superiorities, and that make our Human brothers/sisters gain Genuine Superiority and Consciousness of Singleness by all means, make these Supreme Ones Supreme and the Inferior Ones even more Inferior.

In this Sorting Program, Your World is Purifying itself with these Waves.

The Specialty of this System is that the Cosmic Energies showering Your Planet are projected on You. And You choose your own paths in accordance with Your own Levels of Consciousness. The paths you design belong entirely to You.

We, only as a Reflective Focal Point, are extending Celestial assistance to Friends as Missionaries of the Plan each who have been able to reach Us with the help of the Cosmic Waves we have specially directed towards your Planet.

During this Transition Period, this Cosmic help to be extended towards our Terrestrial brothers/sisters will Continue until the Year 2200 (Of course, for those who can reach Us).

Afterwards, the Cosmic Age will come to an end completely and the GOLDEN AGE will directly be Started.

After a Cosmic Age of Three Centuries, you will live in a Totality, without feeling the need for Celestial helps, since everyone will attain the Cognizance of the Plan and the Ordinance.

The Period you are experiencing at the moment is the chaos of the Opening of channels and of the Continuing Operations.

According to the Final Program of Progress, everyone's channel has opened on Your Planet (in accordance with their Levels of Consciousness) either Directly or Intuitively and are still being opened.

At the moment, by the Command of the Plan, the Command of not making Celestial interference with any channel until the Year 2000 has been given.

For this reason, since everyone will try to Enlighten others in the Direction of his/her own Level of Consciousness, Your Planet will go through a Cosmic Resurrection.

The Knowledge we give to our Human brothers/sisters through this KNOWLEDGE BOOK will convey the Truth to them by keeping them away from this Period of Dazedness, by making them attain Cognizance.

In this Medium of chaos, this Celestial KNOWLEDGE BOOK will be a Guide in Your Plan of Salvation.

The choice is Yours. We can only keep the Friends, who can reach Us, who can grasp the Truth by their Genuine Consciousnesses, away from this Program of chaos by holding them by the hand.

Later, much more Powerful Knowledge will be given to You. Become Powerful for this. Add Power to Your Power. Expand Your Consciousness potential. Otherwise, there is the probability of you walking the path to be trodden on foot.

Each new Day is A Threshold of Cosmic Progress.

Transcending this Threshold systematically will prepare You for the unseen horizons of the Advanced Plans. And it will take You to Unknown Worlds.

For this reason, we do not interfere with and impose upon any of our Terrestrial brothers/sisters and their channels on this matter.

Only to those who have reached the Awareness of the Ordinance and the Plan, Direct help is being extended from the Center. We have received the Command of extending this help only to the Kotes who are connected to the Plan.

We have dictated this message as an answer to the Signals we have received from certain chains of Thought.
